tvar, ostrý, čtverec, design,  
atraktivní, linie... pro někoho jen  
slova, pro mě je to výzva... udělej  
kliku – na první pohled atraktivní,  
ostrou, jednoduchou, ale na dotyk  
jemnou, hladkou.

dobrá vám padne do oka,  
ale ta nejlepší vám musí padnout  
i do ruky – zkuste to.

a shape, sharp, square, design,  
attractive, line – for somebody only  
words – but for me it is a challenge:  
make a handel – attractive, sharp,  
simple just at first sight, but fine,  
smooth to the touch.

a good handle fits to your eye, but  
the best one must fit  
into your hand. try it.
